

# PRESS RELEASE

## Vanuatu's most popular sporting event!

After more than 2 years cut off from the world, Vanuatu has just reopened its borders (July 1, 2022). The opportunity to once again welcome overseas runners to Vanuatu's most popular sporting event.

Le Trail Pacific is run across different routes and locations each year, tracking through the wild and unspoiled jungle of Vanuatu.

The density of the jungle, the strength and hostility of this constantly growing environment, and the absence of regularly maintained, accessible bush tracks make it difficult for the average person to enjoy Vanuatu's wilderness on a regular basis.

This is why each year, the race makes the bush accessible to all. The time to race with friends and family, or simply enjoy a beautiful walk through jungle.

It is a fun sporting event that pays in tribute to the beauty of Vanuatu's natural, unspoiled environment. An event where serious competitors can test their limits, and where amateurs can also have fun.

For this 5th edition, the race will be the most demanding that we have organized so far. A technical race on rough and muddy terrain with several small rivers to cross.

A return to basics, to the essence of trail racing but also to exploration.

The Trail Pacific is not just a race, it's an adventure!
