

PRESS RELEASE

LE TRAIL PACIFIC ENERGY - SAAMA

Vanuatu's most popular sporting event!

LE TRAIL PACIFIC ENERGY is run across the wild and unspoiled jungle of Vanuatu.

The density of the jungle, the strength and hostility of this constantly growing environment, and the absence of regularly maintained, accessible bush tracks make it difficult for the average person to enjoy Vanuatu's wilderness on a regular basis.

This is why each year, the race makes the bush accessible to all. The time to race with friends and family, or simply enjoy a beautiful walk through the jungle.

It is a fun sporting event that pays in tribute to the beauty of Vanuatu's natural, unspoiled environment. An event where serious competitors can test their limits, and where amateurs can also have fun.

For this 6th edition, we return to the village of Saama and we formalize Le Trail Pacific - Saama as an event that will take place every year in the years to come in the village of Saama.

LE TRAIL PACIFIC ENERGY - SAAMA is a technical race over rough and muddy terrain with several small rivers to cross.

This event represents the essence of trail running: exploration.

It is now part of the DNA of our organization.

LE TRAIL PACIFIC ENERGY is not just a race, it's an adventure!
